### Objective

My objective is to continue learning and gaining new knowledge through experiences. Whilst hopefully teaching others and leaving a positive impact in everything I do.

### Education

- 2017 – 2021 Pinelands High School
- Currently at UCT. BCom Economics and Statistics with Data Science

### Experience

*January 2024 -*

Privately tutoring high school students in Math's, Life Sciences, Physics, EMS and Geography

*November 2023 –*

Oyster shucker and sales rep at the Oyster Lady.

*June 2023*

Attended Singular Consulting Group set of Case Interviews

*April 2023 – November 2023*

Sales representative for LaLunga Fish

*January 2023*

Attended the TSAP Study Exchange Program to Germany. Studying at Tübingen University.

*18 December – 19 December 2021*

Assistant • Advertiser • Local is lekker market.

(Duties included advertising the market, set up and PR)

*August 2018*

Introductory Course • Intern • Robotics

(Duties included set up, programming and assembly)

## Key Skills

Problem Solving  
Optimistic  
Teamwork  
Critical Thinking  
Project Management  
Excel and Python  
Analytical and Quantitative  
thinker

## Communication

I have often been chosen as the main speaker in group presentations. For good reason, I can communicate my ideas well to others. From small to large crowds.

## Leadership

- Captain of 2<sup>nd</sup> team Squash (High School), Head of many groups' projects
- Manager at Lalunga Fish
